NATIONAL EGG MARKET AT-A-GLANCE

In Chicago prices were lower on all sizes. In Boston, prices were unchanged to lower on the larger sizes. Elsewhere, prices were unchanged. The market tone was barely steady to weak, mostly unsettled. Demand was occasionally improved where first of the month feature activity was a factor, however, in most regions retail movement was generally light to no better than moderate. Supplies were mostly fully adequate to instances ample. Breaking stock supplies were more than adequate from regular sources, and any additional interest was limited to attractively priced product. Light type hens were fully adequate to ample for current processors' needs.

NORTH ATLANTIC In Boston prices were unchanged to 3 cents lower on larger sizes, and unchanged on mediums. In New England and Philadelphia prices were unchanged. Supplies were usually adequate on brown eggs but fully adequate to ample on white eggs. Retail demand was reported as only about fair. The undertone was cautious. Breaking stock interest was mostly light as offerings continue to ample for requirements. Light type fowl were also more than what processors could use for next week.

NEW YORK Prices were unchanged. Demand was only fair as traders remain somewhat cautious. Supplies were fully adequate to ample for trade needs. Trade sentiment was barely steady.

MIDWEST Prices were 4 to 5 cents lower on the larger sizes and 3 cents lower on mediums, with smalls 1 cent lower in Chicago and to producers in Iowa-Minnesota-Wisconsin. Prices were unchanged elsewhere. Prices reflect changes from the previous Tuesday's reported prices. Trade sentiment continued mixed from steady to weak, mostly cautiously steady to barely steady. Retail demand was slow to moderate and best into features. Food service movement was mostly moderate. Supplies were in a full range from adequate to instances ample, mostly fully adequate. Nest run breaking stock prices ranged 1 to 2 cents lower with checks and undergrades declining 1 cent. Some breakers were buying additional product on the open market at attractive levels while many breakers were reporting heavier than normal inventories. Trade sentiment barely steady to weak.

CHICAGO Prices for all sizes declined 2 cents. The market tone steady to weak. Retail and food service demand generally moderate, and best where features are planned or in progress. Feature noted for large eggs 49 cents per dozen with restrictions. Supplies adequate, instances ample.

SOUTHERN Prices were unchanged. The market tone was barely steady entering the weekend, trade sentiment was cautious. Retail demand remained only fair with the occasional promotion offering limited improvement for the first of the month. Supplies of all sizes continued at least adequate to occasionally ample. Asking prices for next week's deliveries were ranging lower than the current week. Breaking stock supplies were more than adequate from regular sources and demand for additional product was usually non-existent. Light type hens were fully adequate to ample for immediate needs.

WEST COAST Prices unchanged. The market tone was weak with asking prices for next week in California 7 cents lower on jumbo, 4 cents lower on extra large and large, and 3 cents lower on medium and small; in the Northwest 4 cents lower on all sizes. Retailer demand picked up for the first of the month, best where features ran. Offerings ample.

(/) - WHOLE PLUS YOLK PLUS SWEETENER, GENERALLY 28-32% EGG SOLIDS.

CENTRAL REGION FROZEN EGGS Prices ranged 1 cent lower for frozen whole egg, unchanged to 2 cents lower for frozen whites and sugared yolk, with salt yolk ranging 1 to 2 cents lower. Trade sentiment was barely steady for whole and whites with yolk products steady to instances barely steady. Offerings were adequate for the light demand. Most buyers were taking a wait and see attitude to the market and many suppliers were in no hurry to build inventories. Nest run breaking stock supplies were usually fully adequate for current needs with many breakers reporting sometimes burdensome inventories.
